**Antoniolupi 'BESPOKE'**: A design made of unique details and a perfect balance generated by perfect proportions, sleek surfaces and innovative finishes. The collection is made of important technological and formal details. The project examines several themes investigating through functional and aesthetic elements to create a unique style.

##### **Devon&Devon, Suite 115 (NEW SHOWROOM)**

Finezza Collection: GRAFF will introduce the new Finezza collection. Following on the success of Dressage and Expo, GRAFF has brought a uniquely, beautiful grouping of tubs and basins to broaden their collections. These additions allow designers to complete their luxury visualizations in complete coordination, order from one source and guarantee that the time and the delivery will all be all in sequence. Currently Finezza comes in two options from traditional to transitional and Edwards, that brings a new solid surface that is the new benchmark for tactile and visual bathing experiences.

**NEFF of Chicago, Suite 145**

Euro-Laminates: NEFF of Chicago showroom presents a new line of NEFF Euro-laminates. Like the chalked oak in this furniture-style vanity, NEFF's versatile Euro-laminates are available in Textured Wood Grain, Low Sheen and Gloss, and are beautiful in both horizontal and vertical grain directions.

**Porcelanosa Tile+Stage | Kitchen | Bath | Hardwood, Suite 149**

A contemporary series for both the kitchen and bath, the Quartile Series features a robust four-sided design, built on a cubic template. Its sharp lines emphasize a regard for modern architecture like that of the Milan-based Luigi Bocconi University. Designed and made in Italy, the form is confidently current. The series features several Wall and Deck Mounted Bath Faucets, Tub Fillers, Shower Components and Accessories, as well as a Modern Pull-Out Side Lever Kitchen Faucet to bring a modern sophistication to today's contemporary home.
